Quitting Smoking with MSK's Tobacco Treatment Program

MSK has specialists who can help you quit smoking. This video explains why quitting smoking is important for people who have cancer and gives an overview of how MSK's Tobacco Treatment Program can help you quit.

Please visit www.mskcc.org/pe/tobacco_treatment_guide to watch this video.

For more information about our Tobacco Treatment Program, call 212-610-0507.

If you have any questions, contact a member of your care team directly. If you're a patient at MSK and you need to reach a provider after 5 p.m., during the weekend, or on a holiday, call 212-639-2000.
