

Women in Treatment Support Group

This is an online support group for women receiving treatment (chemotherapy, radiation, immunotherapy) at MSK. Discussions will focus on coping with a cancer diagnosis and undergoing active treatment. The group will provide ways to connect, learn coping strategies, share information and experiences, express feelings, and gain support from others.

Women with different cancer diagnoses and types of treatment are welcome.

This group takes place on the third Thursday of each month from 2:00 p.m. to 3:00 pm.

If you have questions or concerns, contact your healthcare provider. A member of your care team will answer Monday through Friday from 9 a.m. to 5 p.m. Outside those hours, you can leave a message or talk with another MSK provider. There is always a doctor or nurse on call. If you're not sure how to reach your healthcare provider, call 212-639-2000.
